And bus you down the mountain
And change your life in between”
Rev. Dr. Anneth Munga*

Rev. Dr. Anneth Munga, Chairperson for the Local Committee for the 2019 IASE Conference, invites you to Magamba Tanzania East Africa and hopes you will be registering to attend. You are most welcome to Tanzania and to Sebastian Kolowa Memorial University (SEKOMU). We are looking forward to welcoming you. Plans are coming together as there are many details to fit together. I am happy to say ground transportation is arranged to meet our international guests at any of the following locations: Arusha Town,

Arusha airport, Kilimanjaro airport (JRO), Moshi or Tanga. From any of these locations you will have the opportunity to see - on a clear day - Mount Kilimanjaro, the tallest mountain in Africa. You will also see small villages, people walking and biking along the roadsides, and animals (mostly goats, chicken and cattle). You will see local road side businesses. You will leave the dry and warm lowlands and proceed, via many switchbacks, up the mountains through lush countryside and cooler temperatures. You will see gardens growing on the sides of the mountains. You will arrive at Lushoto Town and proceed further up the mountain to SEKOMU.
